Subject: Environmental Impact Assessment of the Project "New Nuclear Source at the Dukovany Site" - request for additional documents necessary for preparation of the expert report pursuant to Act No. 100/2001 Coll., as amended

Dear Sir,

In response to your letter dated 22 December 2018 with the request for additional and explanatory documents necessary for preparation of the expert report within the meaning of § 9(6) of Act No. 100/2001 Coll., as amended, I enclose herewith the required documents.

- **Adding explanatory documents relating to the clarification of the issues of the effect of ionizing radiation on the fauna and flora in relation to the statement of the "Joint Opinion of Austrian legal representation to protect the environment and nature" of 12 January 2018**

- **Adding explanatory documents to the statement of the "Ministry of Energy, Department of Nuclear Energy" of the Republic of Poland of 8 March 2018 in relation to the transboundary impacts relating to the effective doses and committed effective doses**

The company Elektrárna Dukovany II, a. s. is, as the notifier, ready to provide you in this matter with any necessary cooperation pursuant to the Act.

Yours faithfully,

Illegible signature

Ing. Martin Uhlíř, MBA
Chairman of the Board of Directors and General Director
Elektrárna Dukovany II, a. s.
