Subject: Environmental Impact Assessment of the Project “New Nuclear Source at the Dukovany Site” - request for additional documents necessary for preparation of the expert report pursuant to Act No. 100/2001 Coll., as amended

Dear Sir,

In response to your letter dated 3 April 2018 with the request for additional and explanatory documents necessary for preparation of the expert report within the meaning of § 9(6) of Act No. 100/2001 Coll., as amended, I enclose herewith the required documents.

In connection with the Statement of the Regional Hygiene Station of the Vysočina Region, Regional Office Třebíč Ref. No. KHSV/26798/2017TR/HOK/Štěp of 11 December 2017, applied to the EIA documentation, we prepared, in cooperation with the author of the EIA documentation, the additional and explanatory documents. These documents were submitted on 19 April 2018 along with the request for comments of the Regional Hygiene Station of the Vysočina Region, Regional Office Třebíč which, however, forwarded our request to the Ministry of Health as the local competent authority. The Statement of the Ministry of Health Ref. No. MZDR 60320/2017-4/OER of 25 June 2018 is also enclosed herewith.

At the same time, I enclose herewith the additional and explanatory documents prepared in connection with the Statement of the Ministry of the Environment, Department of Species Protection and Implementation of International Commitments Ref. No. ENV/2017/VS/3794 of 19 December 2017 and the Statement of the Nature Conservation Agency of the Czech Republic, Regional Office Žďárské vrchy SCHKO Ref. No. 04402/ZV/2017 of 20 December 2017.

The company Elektrárna Dukovany II, a. s. is, as the notifier, ready to provide you in this matter with any necessary cooperation pursuant to the Act.

Yours faithfully,

Illegible signature

Ing. Martin Uhlíř, MBA
Chairman of the Board of Directors and General Director
Elektrárna Dukovany II, a. s.
